

JHONIER ALEJANDRO PEREA DERAZO

SENIOR FULL-STACK DEVELOPER

jhwperea@gmail.com • 3013127037 • [LinkedIn](#) • [Portfolio](#)

PROFESIONAL SUMMARY

Senior Full-Stack Developer with 10+ years of experience building scalable web applications using Laravel, Vue.js, Node.js, and WordPress. Proven expertise in developing document management systems, custom CMS solutions, and responsive user interfaces. Strong background in both front-end and back-end development, including cloud integrations (AWS) and payment platforms. Focused on delivering high-performance, user-centric solutions that improve operational efficiency and business outcomes.
